Submission: I believe there is a need to improve the Pyrmont//Maybank community centre to cater for the forecasted growing community with more space and more recreational facilities. I agree with the removal of the greyhounds amphitheatre in Wentworth Park once their lease expires in 2027 and to keep the park as open space. This will be the only decent sized park to cater for Pyrmont, Broadway and Ultimo. I fully support the Pyrmont Metro Station which is long overdue to finally link reasonable transport of the Peninsula to the city and beyond. There is also a dire need for a high school in the area and recommend converting Sydney Secondary College Blackwattle Bay Campus to be upgraded to include Years 7 to 12 for all in the neighbouring areas.
