Submission: As I've seen in various cities around the world, an outdoor, covered, all glass, squash court for anyone to use, practice, play and stay healthy... Would probably work on a code to get access and have an overhead camera for security and insurance purposes.? Being a squash player and having many friends in the area who play, would love the chance to play here and not have to travel 45 minutes to Liverpool or Northmead Hope this is ok Thank you
