**Submission**

Hello, I am a resident of Pyrmont. I have lived here for many years and I enjoy the village atmosphere of the area. Unfortunately Pyrmont is starting to become overdeveloped. And with that comes congested streets, the noise of construction 6 days a week, pollution and construction dust causing breathing difficulties and headaches. Already here is a dangerous juxtaposition of humans and cars, as pedestrians dodge cars that clog the narrow streets. I've seen 'near miss' accident situations.

I am providing feedback on the Pyrmont Peninsula Place Strategy, and I do not want a high rise tower on top of The Star casino or anywhere else in the area.

It will cause mayhem in the streets. There will be massive congestion as streets are blocked for cranes and the like. The air will be polluted and we will have to put up with noise pollution. Residents will suffer on going health complications. And the village atmosphere will be ruined.

Please do not allow any more high rise in the Pyrmont area. It is already densely populated.

Thank you.

**I agree to the above statement**

Yes
