Name Withheld: No

Email: beau.parkes@health.nsw.gov.au

Suburb/Town & Postcode: Berkeley Vale 2261

Submission file: [webform_submission:values:submission_file]

Submission: I believe Warnervale Airport is an asset to the Central Coast and should not only remain operational but be invested in and developed for future recreational use. I grew up learning to fly at 16 years old and would never have had the opportunity to gain my pilot's license if Warnervale was not located on the central coast. I believe the current airport act is too restrictive and denies the residents of the Central Coast the opportunity to utilise such a valuable asset. If the Act was in operation when I was learning to fly it would have severely impacted my ability to gain my license in a timely and economically manner. Further to this I also believe the overgrown trees leading to the runway closest to Sparks Rd need to be trimmed for the safety of pilots and road users.
