Submission: I am a resident of Jilliby and have been for 18 years. The Warnervale Airport is an essential part of the Central Coasts landscape providing an aerial gateway between the SYDNEY and NEWCASTLE CBS's for multiple assets -Emergency Services -Medical Support -Law Enforcement Having only 1 connecting motorway between these major cities, the Warnervale Airport is pivotal in sustainability of the Central Coasts residents... not discounting the forecast growth that I turn makes the above a foundation statement
