Submission: As a local resident of Warnervale I support that there is a restriction to the number of take offs and landings at Warnervale Airport. We currently have a large number of planes fly directly over our house and very low, which interferes with our right for peace and quiet. I do not support anymore, especially of a weekend and after 5pm at night. One of my children has a disability and is particularly sensitive to noise, these planes flying low can be upsetting for him. Thank you for your consideration.
