Submission: Hi, The email you sent out asking for submissions contains an image of artists impression of the new Carter street precinct. The image shows a personal water craft, sailing skiff, on Haslam's Creek. Some years ago I checked with the Sydney Olympic Park Authority. At the time all personal water craft, including sailing boats of all kinds are banned from Haslam Creek. As a result of sailing craft being banned from Haslam Creek. I believe the image you forwarded on the email around making submissions may be seen as misleading. I suggest you either stop using that image.
