NO to the Plans

I enjoy living in a low density zone we do not want our area to be an extension of Liverpool city that is grossly overcrowded, only for the benefit of the land developers and not the residents.

We want to preserve our way of life and not to have the council who is not defending us but wanting the tax revenues from the land developers for no benefit to the local residents. Who wants 12 storey flats in Glenfield? no one ever said!

What we have now is unique with our village lifestyle and greenery and I strongly feel that this needs to be protected Glenfield is the jewel in the crown of Campbelltown, please do not overdevelop this area.

Yours Sincerely

Rafael Dona
