Please leave Glenfield as it is now!!

Look at how horrible Liverpool is with all the high rises, crowding, cars, pollution, no green parks. What have you achieved in there?? Nothing, a new ghetto. Lots of flats are not selling any more, they are empty and begging for customers.

I've been living in Glenfield for 18 years, I love my neighbours, I love green spaces, trees, you can have fresh air. I am close to my job and my son school, I'm a single mum with an autistic son, I don't want to move being pushed by the council, I will move when my life will decide to.

No,no,no to this project !!!

**I agree to the above statement**
