To whom it may concern,

I received a letter from Mr. Anoulack Chanthivong MP, and was made aware of the development plans for my suburb.

I am against these changes as part of the reason we live here is to be away from the highrise nonsense that clutters the streets. Without these high-rises it makes the housing cheaper, which is difficult to find in the region.

I am also opposed to selling off the land by the Hurlstone Agricultural High School, as the last thing these students needs is some building to distract and limit their learning.

Glenfield is a beautiful suburb filled with native flora that makes living here so peaceful. With that and everything I listed above, I hope you will scrap these development plans, as it would only hurt the community.

Thank you for your time,  
Aisha Dockary
