Submission
As an Ingleburn resident I would like to submit an objection to the over development of the Hurlstone Agricultural School area. I am not totally against the suburban area of Glenfield but do believe that if all the high rise goes ahead then a much larger primary school will be required. An ideal common sense solution would be to build this and play grounds at the southern end of HAS and turn the area to he west of the station into an educational precinct.

I agree to the above statement
Yes
