Submission
I have been living in Glenfield for more than 15 years and I own a land in Glenfield. My land is currently in zoning planning for medium rise which waiting for the approval. I am very excited and happy so that I can have an executive plan to build something that will suit me. Glenfield is already a junction and a very important place in South western Sydney, I just can't wait to see it as a hub.

I agree to the above statement
Yes
