Re: Mamre Road Precinct - Aboriginal heritage study - request for Aboriginal stakeholder information

Dear Magaret,

EMM Consulting Pty Ltd (EMM Heritage) has been commissioned by the NSW Department of Planning, Industry and Environment (DPIE) to undertake an Aboriginal heritage study for the proposed Mamre Road Precinct rezoning. The precinct is located within the Western Sydney Employment Area (WSEA) and the Western Sydney Aerotropolis (Figure 1); and within the Penrith LGA. The precinct is currently subject of a draft structure plan that could result in the rezoning of the precinct for industrial, recreation and environmental purposes. The aim of the study is to further characterise the cultural heritage of the precinct, and to provide specific management and recommendations for inclusion in the proposed development control plan stemming from the finalised structure plan.

The proponent is DPIE, and the project contact is Sarah Waterworth, Manager Place and Infrastructure, L4, 10 Valentine Avenue, Parramatta, NSW 2150; T: 02 9860 1509; E: sarah.waterworth@planning.nsw.gov.au.

In accordance with NSW State government's *Aboriginal cultural heritage consultation requirements for proponents 2010*, I am writing to you to seek information on relevant Aboriginal individuals and/or communities that you are aware of in the region, and who may hold cultural knowledge and/or information about Aboriginal objects and sites in the vicinity. Could you please provide me with this information as soon as possible at the Sydney address above, or my e-mail, awilliams@emmconsulting.com.au

If you have any questions or enquiries, please don't hesitate to contact me on 02 4943 9500.

Yours sincerely

Hi Alan,

Regarding your request for the OEH Aboriginal Stakeholder list below, the DPIE are unable to issue the list to you at this time as the Registered Aboriginal Party list is issued in relation to an AHIP application and your request relates to an Aboriginal heritage study.

You may wish to contact the Deerubbin LALC, Aboriginal organisations of the area or the Penrith local council.

If you wish to discuss this matter please contact me on the details below.

RE: Mamre Road Precinct - Aboriginal heritage study - request for Aboriginal stakeholder information

Thank you for your email dated 7 January 2020, requesting assistance with identifying Aboriginal stakeholder groups or persons who may have an interest in your project area.

Greater Sydney Local Land Services (GS LLS) acknowledges that Local Land Services have been listed in *Section 4.1.2 (g)* of the *Aboriginal cultural heritage consultation requirements for proponents 2010*, under *Part 6, National Parks and Wildlife Act 1974* as a source of information to obtain the “names of Aboriginal people who may hold cultural knowledge relevant to determining the significance of Aboriginal *objects* and/or *places*”.

GS LLS is a partner with many Aboriginal communities in the region on many natural resource management (NRM) projects. However, GS LLS is not the primary source for contacting or managing contact lists for Aboriginal communities or persons that may inform or provide comment on planning issues. GS LLS considers cultural heritage issues that relate to land-use planning in general and only considers culture and heritage issues in the context of NRM.

We strongly recommend that you make contact with the Office of Environment and Heritage (OEH), Cultural Heritage Division, for all-inclusive contact lists of persons and organisations that may assist with your investigation.

Note: Hawkesbury Nepean Catchment Management Authority (HNCMA) no longer exists. All work previously carried out by HNCMA is now delivered by Greater Sydney Local Land Services (GS LLS).

Dear Dr Williams

Re: Request for Aboriginal stakeholder information – Mamre Road Precinct, Penrith LGA

Thank you for your letter to the Tribunal, dated 7 January 2020, requesting a list of Aboriginal persons or groups who may hold cultural heritage knowledge relevant to your project area.

The National Native Title Tribunal (NNTT) is unable to provide the assistance requested.

However, the NNTT maintains public registers that may assist you in the identification of the relevant people or groups. The National Native Title Register and the Register of Native Title Claims are available on the NNTT's website at www.nntt.gov.au.

The NNTT website also provides access to mapping and geospatial tools, including Native Title Vision, which may be of assistance.

The relevant Representative Aboriginal/Torres Strait Islander Body (RATSIB) for your project area may be able to provide information regarding Aboriginal groups or persons that have recorded an interest in that particular area. The RATSIB for your project area is NTSCORP Limited.

Should you have any questions or require assistance in searching the registers, please contact one of the NNTT's offices or send an email to enquiries@nntt.gov.au.

Yours faithfully

Dear Alan,

Request - Search for Registered Aboriginal Owners

We refer to your email received 7 January 2020 regarding an Aboriginal Cultural Heritage Assessment for a proposed development at NSW as identified on the maps attached to the Letter.

Under Section 170 of the *Aboriginal Land Rights Act 1983* the Office of the Registrar is required to maintain the Register of Aboriginal Owners (RAO). A search of the RAO has shown that there are not currently any Registered Aboriginal Owners in the project area.

We suggest you contact Deerubbin Local Aboriginal Land Council on 02 4724 5600 as they may be able to assist you in identifying Aboriginal stakeholders who wish to participate.

Yours sincerely

Elizabeth Loane
Project Officer, Aboriginal Owners
Office of the Registrar, ALRA

Dear Sir/Madam

Thank you to everyone who has responded to our earlier email regarding registrations of interest for Aboriginal consultation on the Mamre Road Precinct Aboriginal heritage study. We will be in touch shortly with an update on the consultation process.

Please note that the contact phone number for Alan Williams on the original letter/email was incorrect. The correct number is [REDACTED]. A corrected version of the letter is attached to this email. I apologise for any confusion this may have caused.

Also, please note that the closing date for registration is this **Friday, 31 January 2020**.

Kind regards,
Pamela

Re: Mamre Road Precinct - Aboriginal heritage study - project notification and request for registration of interest

Dear Sir/Madam

EMM Consulting Pty Ltd (EMM Heritage) has been commissioned by the NSW Department of Planning, Industry and Environment (DPIE) to undertake an Aboriginal heritage study for the proposed Mamre Road Precinct rezoning. The precinct is located within the Western Sydney Employment Area (WSEA) and the Western Sydney Aerotropolis (Figure 1); and within the Penrith LGA. The precinct is currently subject of a draft structure plan that could result in the rezoning of the precinct for industrial, recreation and environmental purposes. The aim of the study is to further characterise the cultural heritage of the precinct, and to provide specific management and recommendations for inclusion in a proposed development control plan stemming from the finalised structure plan.

The proponent is DPIE, and the project contact is Sarah Waterworth, Manager Place and Infrastructure, L4, 10 Valentine Avenue, Parramatta, NSW 2150; T: 02 9860 1509; E: sarah.waterworth@planning.nsw.gov.au.

While the project is not currently subject to an Aboriginal Cultural Heritage Assessment, nor will it directly be seeking Aboriginal Heritage Impact Permits, the initial phases of the NSW State government's *Aboriginal cultural heritage consultation requirements for proponents 2010* are proposed for adoption. From this process and the responses received, key stakeholders to the region will be identified, and these individuals/organisations will be included in further consultation and participation. The entire project must be completed within the next six weeks. Given such timeframes, please ensure your response provides availability for decision makers to attend meetings in Parramatta and/or St Leonards, and for fieldwork in early February.

As the first stage of the NSW State government consultation guidelines I am writing to notify you of the project and seeking you and/or your organisations interest in being registered for subsequent consultation and involvement. We are interested in Aboriginal individuals and/or organisations who may hold relevant cultural knowledge for determining the Aboriginal cultural heritage of the area, and who wish to be involved in the project. If so, please provide a response by 31 January 2020 to:

- Alan Williams, EMM Consulting, 20 Chandos Street, St Leonards, NSW 2065; T: 02 9493 9584; E: awilliams@emmconsulting.com.au

In your response, please ensure the following information is provided:

- clear identification on the individual and/or organisation registering an interest. Please ensure all contact details and personal, along with relevant phone and e-mail is provided;
- preferred communication method (eg e-mail) during the consultation of this project, along with your organisation's nominated contact person and their details;

- the level of project involvement you or your organisation wishes, including attendance of meetings, fieldwork participation and/or simply reviewing documentation;
- identification on any procedures, protocols or requirements for the use and reproduction of any cultural information or materials you or your organisation provides EMM Heritage as part of this project; and
- identification of any Aboriginal objects, sites and/or areas of cultural value that you are aware of in, or near, the project area.

If you have any questions or enquiries, please don't hesitate to contact me on 02 9493 9584.

Yours sincerely
