Submitted by: Anonymous

Submitted values are:

Submission Type: I am submitting on behalf of my organisation

First Name: Mark

Last Name: Goldberg

Name Withheld: No

Email: [REDACTED]

Suburb/Town & Postcode: 2030

Submission file: [webform\_submission:values:submission\_file]

Submission: To whom it may concern, Please also consider rezoning the remaining precincts, such as Kemps Creek as soon as possible - we operate a business in Western Sydney with large industrial storage needs and our city needs to maintain its competitiveness against Melbourne which has a huge price/cost advantage for purchasing and leasing warehouses. Failure to do so will result in many businesses migrating interstate. Thanks for your consideration.
