Submission: In your Aerotropolis Plan Draft on page 26 you have highlighted that you are looking to identify transit corridors within walking distance to landscape amenity. Yet you have clearly missed the Jersey Road Bringelly extension into the southern part of the Aerotropolis Core precinct from Bringelly Road that runs parallel to South Creek - Wianamatta. You have left it as a culdesac on the map. This extension has been identified as a transit boulevard by RMS yet your draft plan does not reflect this.
