Submission: STOP trying to rezone Luddenham leave us alone. Luddenham wants honesty and answers you are playing with our future and investments. Why do you keep on trying to rezone Luddenham leave it as residential land not rename/rezone it to agribusiness. The main issue for us is the noise what are you going to do about the noise? Are you providing us with double glaze windows? We were here first the airport should suit the local residents not the residents suit the airport. If you're planning not to rezone Luddenham then just simply put it on the latest map and in writing.
