Submission: Being part of the Wianamatta South Creek Precinct At [REDACTED] Rossmore i wish to put in a submission. firstly on not happy with the zoning proposal of environmental and recreational but that being said i understand that this will be great for the future city as a green spine and waterways for cooling of the environment , who is going to by my land , this was my superannuation and now it has disappeared. everybody in this precinct is of the same position. So the goverment should buy all the land in the Wianamatta-south creek im ready to go now if you want. of the 200 so properties that will be affected buy 50 a year for the next 4 years but get it started we want to move on with our lives
