Submission: Please do not publish my personal details or email. I wish to oppose the proposal for land along Winiamatta - South Creek Precinct earmarked for environmental/recreational to stay in private ownership. This unfairly disadvantages land owners who might not want 2 live within close proximity to a 24hr Airport. By zoning the land environmental/recreational it will land lock residents from being able to sell as developers will not want this land. It is not fair to disadvantage land owners for the benefit of Others, eg Government, WSA, industry. Residents should be acquired so they can get on with their lives. Residents knew about an airport but not an Aerotropolis & this has been forced onto them. Thank you [REDACTED]
