Submission file: [webform_submission:values:submission_file]

Submission: The M5 extension corridor you have identified in the plan needs to be finalised as part of it is located in the initial Aerotropolis precincts along Bringelly Road. Currently the investigation corridor is proximately 400 metres wide yet the actual M5 will be less than half that. It should be finalised as soon as possible to give affected landowners some clarity and those not in the final identified corridor some relief.
