Submission:

I ask that you please consider my submission.

My property is [REDACTED] Bringelly.

The suggested zoning for this area has changed from 'Mixed Use of Commercial / residential'. Please consider that our property is:

1. Close a train station that by law allow for residential buildings
2. We are away from noise contour and less then ANEC 20 and away from flight pass
3. Our land is on the higher side and is elevated
4. We are not close to waterways or wetlands
5. Close proximities to the new CBD and major roads My submission in summary requests that there is a need to reinstate the Mix Use of commercial/residential for this area.

Many thanks

Peter Fenech
