The re-zoning to our area has been unfair and makes NO sense

We need to reinstate the Mix Use of commercial/residential zone for our property

1. The close proximity of the train station by law allows for residential buildings
2. We are away from noise contour and less than ANEC 20 away from flight pass
3. We live on elevated land
4. We are not close to waterways or wetlands
5. We are in close proximity to new CBD and major roads which is IDEAL for a residential setting
