Submission: As a land owner of [REDACTED] Bringelly, I am seeking the government to push forward rezoning. We are less than 2km from the airport and going to have a pollution crisis with jet fuel burning and an impact of noise. The infrastructure going on at the moment is causing a lot of congested traffic and dangerous circumstances with silt on roads and dangerous entry and exit points. This delay of not knowing when our land will be rezoned leaves us in frustration to knock down rebuild our 1970's home or not. My vision in planning my future is blocked.
