Submission: To whom it may concern, My family and I live at [REDACTED] Bringelly. We are supposedly part of the Dwyer rd precinct, formally the aerotropolis. We are not in favour of the proposed changes due to the airport. Firstly we are only approximately 3kms away from the closest runway. The noise from the planes will definitely be a nuisance and a problem, [REDACTED] The traffic that the airport will cause will be a nightmare, and we can see this from all the roadworks around us, as it takes alot longer to get to places, especially the hospitals. Not to mention the pollution, how are we supposed to live with planes flying over head so close and breath fresh air? We can not remain here for another 10 to 20 years with the infrastructure and changes occurring around us. It will affect our lives in many negative ways. We need to be prioritized so we know what we need to do with our lives and families, we can not be pushed to the side and forgotten about. We need action now. We need to be included in the aerotropolis and our land given priority. Please include us, don't forget about us, we will be negatively impacted by this airport in many ways. Regards, Barbara Pascuzzi [REDACTED]
