Submission: Department of Planning My name is [REDACTED] and I live at [REDACTED], our lives have recently been overwhelmingly taken over by the future plans for the Winamatta-SouthCreek spine for the Aerotropolis Core. I do not agree with the proposal of the SCP and do not agree on rezoning the land Environmental/recreational and leaving it under private ownership, If you need Environmental/Recreational land, BUY IT..... We will not accept any E-zonings and if government need Open spaces than purchase it so we can move on with our lives. All of this has caused me and my family severe anxiety and stress since these plans came to life. No one deserves to live like this. We need to know that the government will be fair with their zonings and buy the land after it has been zoned. If the government needs green space land we must be acquired as RE1 and be treated equally and fairly.
