Submission: My name is Mariah Vella, my father is the owner of [REDACTED] where I live. Stage 2 of precinct planning for the Aerotropolis indicated that the Dwyer Road precinct will not have priority zoning following the current exhibition period, which closes February 28, 2020. We as a community have been advised that precinct planning for Dwyer Road precinct will follow as infrastructure and services are planned, delivered and demand for additional land is generated. In addition, there is no proposed timeframe for the Dwyer Road Precinct to be rezoned. We have been advised by the Planning Partnership that this area will not be rezoned before the airport is fully operational. This leaves my family and our community in limbo for possibly the next 10-30 years. The lack of priority rezoning for our area will result in the Dwyer Road precinct getting caught in amongst the chaos of Airport construction, the Agribusiness Precinct to the West of us, the Aerotropolis Core to the north, the South Creek West Land Release and ongoing infrastructure developments in this area. This will expose myself and my family to the negative effects of long term infrastructure developments within the Aerotropolis, and also to the harmful effects of living within 3km of an operational 24/7 Airport that has no curfew. At present, my family and family business is already forced to endure the negative effects of infrastructure developments in the area. Due to the uncertainty of future zoning, I and my family are put under huge stress, impacting my family, as I we are not able to renovate our existing home, or build our family home, improve and move forward with business, or sell our property as it is not worth much to anyone looking to buy it. This is not the Australian way. We are hard working tax-payers. We deserve to be treated, and be given the same peace of mind as all the other precincts in the Aerotropolis. As a resident & business within the Dwyer Road Precinct, my family & I are requesting immediate and urgent attention be given to the prioritisation of zoning our properties like all the other precincts in the Aerotropolis, so that we and others in the

Dwyer Road Precinct are given a fair opportunity to move away from the area before the neighboring developments start. Please do the right thing and do right by us Regards Mariah Vella
