

We, Jeffrey & Maria Willis of [REDACTED] Floribunda Road KEMPS CREEK are requesting for the proposed zoning of the Kemp's Creek Precinct boundary to be re-evaluated.

According to your Summary of Key Planning Documents (2019), the Kemp's Creek Precinct boundary **excludes** land to the east of Kemp's Creek beyond the eastern boundary of Wianamatta-South Creek. As the Government already owns this land we are asking that the zoning be readdressed for the whole of Floribunda Road to be zoned as Flexible Employment and the zoning of Environment and Recreation to start from end of the properties that back onto Wianamatta-South Creek and **INCLUDE** the land to the east of Kemp's Creek. This will allow residents, whose properties will be impacted by the proposed zoning to be able to develop their land to align with the needs of the Aerotropolis.

We thank you for the opportunity to submit our submission and ask that our future, and others be taken into consideration when the zoning of the Kemp's Creek Precinct is being finalized.

With kind regards,

Mr & Mrs Willis
