Submission: I am writing regarding the plans to compulsorily acquire my property, [REDACTED], Bringelly, as part of the Aerotropolis Development. I do not agree with the proposed rezoning of my property to Environmental/Recreational. There is a lot of vacant land in the Aerotropolis region, much of it already owned by the Government. I don't understand why it is necessary to acquire my property. This proposal has substantially devalued my property. I no longer have the opportunity to sell my property privately or to a developer so am financially disadvantaged. This proposal should not proceed. I should be allowed to sell my property privately & move on with my life. This entire process has gone on for too long. Yours Sincerely Janice Taylor
