Submission: To whom it may concern, My name is Sabastian and my wife is Maria - we live at [REDACTED] Bringelly - inside of what is called the Dwyer Road Precinct. We have lived in the area for many years and now that we are retired; we wanted to enjoy living in the same lifestyle that we always have. But because of the the roadworks and because we will live so close to a 24/7 Airport; we know that the area that we love is already changing and will change completely over the next few years. We are now elderly and want the opportunity to sell our homes and purchase another home where we can have a nice lifestyle with our young grandchildren. We have been told by our neighbors and the Southern Gateway Community Action Group (A name we as a community voted for) that we can sell our lands jointly with our neighbors if we are rezoned to employment/ industrial lands this year. We are very happy to do this and have already signed a MOU joining our neighbors within the Dwyer Road Precinct. Please give us and the beautiful families in the Dwyer Road Precinct; the opportunity to sell our homes after getting rezoned so that we can all move on and not have to live here and deal with the unbearable affects of everything that is happening to us at the moment - let alone have to deal with living close to a 24/7 Airport soon!
