Submission Type: I am making a personal submission

First Name: Monika

Last Name: Muscara

Name Withheld: No

Email: [REDACTED]

Suburb/Town & Postcode: Kemp's Creek 2178

Submission file:

Submission: To whom it may concern, Further more to my previous submissions about my property at [REDACTED] Kemp's Creek NSW 2178 I would suggest that you zone our whole property as Flexible Employment. It makes much more sense to use this land for future growth of Employment than to use it as Environmental and recreation when you have hundreds of acres of parklands behind us. Proper maintenance of the creek that has never been maintained in over 20 years of us living here and curb, gutters and proper stormwater will see all of these properties put to better use for our Aerotropolis future. If like discussed in all the meetings and our one on one meeting at Bringelly hall on 18th January 2020 that Floribunda Road will not be touched for at least years 10-20 years than We also ask for it not to re-zoned at all until the first stage of the Aerotropolis has been built and up and running and only do it when the second or third stage is to be needed. You are going off data from our local Liverpool council flood plans which are outdated and untrue for our property and our neighbouring properties, we live here and I can show you photos from 9th February 2020 when the whole of Sydney received a significant amount of rain in a short period of time and I can show you areas all around me that have been released for residential sub division that previously flooded and now have houses on them but have curb, gutters and storm water drains that are not affected by storm water now. We are being discriminated against and our life's will be extremely affected by these decisions. Regards Monika Muscara
