Dear Mr McNamara

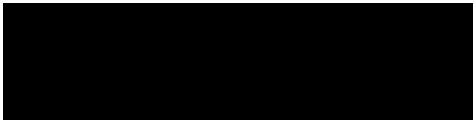

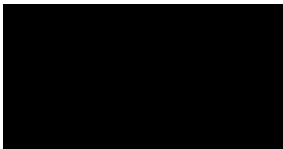

SUBMISSION ON DRAFT WESTERN SYDNEY AEROTROPOLIS PLAN – PROPOSED
ZONING OF 

 Consequently we seek Government's reconsideration of the proposed Environment and Recreation use for the site and apply a zone contiguous with adjacent land and the broader Badgery's Creek Precinct. We submit that the most appropriate land use under these circumstances would be flexible employment land in accordance with Badgerys Creek Structure Plan (see **Figure 5**).

Yours sincerely

CC Mr Andrew Jackson, Director
Western Sydney Planning Partnership
