I am the owner of [REDACTED] WSA Stage 1 land use and infrastructure implementation plan marked my land part into South Creek precinct and part into Rossmore Urban precinct. As per Flood Risk Management Study and Plan for Liverpool Local Government Area December 2004, the areas to the East of Ramsay Rd and South of Watts Rd are not mentioned as flood affected. So far I remember, South West Growth Centre flood report also identified the area unaffected by flood.

Therefore I like to request to include my entire lot which is situated east of Ramsay Rd in the Rossmore Urban precinct.
