As Aeropolis is built we should invest in tourism. Theme parks artificial beaches would bring overseas tourists to Western Sydney. Tourists dont go to New Jersey they go to New York City to see the landmarks. So give tourists what they want. A great trip and memories with fun exciting activities. With great sport parks with massive stadiums like Sydney Olympic Park revitalize Western Sydney with these amenities will Cement its history. Big health shopping and education pricincts will give Sydney back as the main City of Australia. Plus future generations and events like Olynpics and Commonwealth games.
