I wish to make a submission in regards to the release of the First Stage at the LUIPP.
I think the [REDACTED]
[REDACTED] Where the boundary finishes excludes the last two roads. It is a small section in the middle of the first release surrounded by one of the biggest construction projects undertaken in Australia. It is such a small area in the scheme of the proposed Airport release. This area is already in transition to industrial type industries with approvals for Resource Recovery operations at [REDACTED] and plans for approval at [REDACTED] Badgerys Creek. This area in Badgerys Creek is so close to the Airport that it runs along the boundary of the Airport site. This area so close to the Airport site should attract industries to serve the Airport such as Warehouses, Commercial Operations and Service Industries etc. Using the Government land and other large land holdings first, should not exclude this area of Badgerys Creek in the First Release.
