Good day to you [REDACTED].

a] My nephew called me today & told me to listen to Ray Hadley on 2GB as he had a discussion about the Acquisition of the 300 Properties on South Creek.

b] So I went on line & listened & recorded his Broadcast about this topic.

c] He claimed he had about 295 of the Property Owners' contact him after your last Meet & Greet Question session & that some had asked him to represent them as their voice.

d] He stipulated the following points:

1] The Government is Not Rezoning any of these properties YET!

2] There will be another Meeting set up for ALL Landowners of South Creek.

3] We will not be ripped off or wroughted by the Government - it will be a Fair Price - Current Market Value.

4] The Government has learnt a valuable lesson on how to treat Land Owners from the fiasco of the West Connex.

5] The Pricing will not Differ for the different Zones - it will be 1 value for all the land irregardless.

6] After the Government has bought all the properties then they'll Rezone the land that is left over, and Not Before!

7] Anthony Roberts has told him personally (Ray Hadley) that he is having a Meet with the Land Owners involved soon.

8] Fear Not Bringelly, Badgerys Creek, Kemps Creek & Calvin Park it will all be worth it in the long run this time.

e] [REDACTED] I went onto the link you gave me for the Acquisition of Property but I couldn't see where to make contact with anyone in particular about wishing to be put on a list for the Acquisition of my property in it's entirety.

f] Do you know of this forthcoming meeting with the Land Owners & Anthony Roberts?

g] Is this meeting to be for all of us or only the large acreage owners??

I hope this message finds you in good health & spirits, I look forward to your responses.

Kindest regards
