I would like to protest about the map put forward regarding the proposed land use around the 2nd airport. The area known as the Northern Gateway, has a green section running south to north to Twin Creeks Golf Course and has been indicated as NON URBAN land. This zoning will take in my father's land. Unlike South Creek zoning area, this zoning does not have a black line around it. I have been told that NON URBAN will only take in about 40 metres of land either side of the creeks, but this zoning takes in all of my father's land which is situated between 2 creeks. I don't have an issue taking 40 metres from the creek, but to take in ALL of his 16 acres of land, is just not right. Please reconsider zoning all of his property from NON URBAN to that of the adjoining Boyan Holdings property.
