To whom it may concern, [REDACTED], raised [REDACTED] who went to local schools and have [REDACTED]. Our house is Retirement, Pension and Safety net for when we retire which is now [REDACTED] and out of the work force. I have paid taxes since I was [REDACTED]. When we purchased our house we knew a Airport was going to be built. I would like the 1 in 100 flood line to be seriously looked at and the width of South Creek to be examined, it is far too wide. We know we will have to move from our only home that we have many great memories of, so my wife and I would like to move from here with nice memories and a suitable pay out to compensate for our home, we want to make the profit not Government.
