The NSW Government is well aware of the cancer clusters in this area due to it being a pollution trap and I fail to understand how this Government and planning NSW can in all good concence can go a head with this life threatening development ! JUST HOW ARE YOU GOING TO MAKE THE AIR MOVE OUT OF THIS POLLUTION POCKET???? You cant say you are not aware of the cancer risks the data is there for you all to see! I have known about this pocket of pollution since Nev Wran was in power and closed down factories in that area due to the EXTREME CANCER CLUSTERS mainly lungcancer! It is not smoking but pollution wallies and your intending on killing thousands by this proposal! THE DATA IS THERE SINCE 1984!!!! I learned of this via working in the City Morgue!
