i live on a [REDACTED] land zoned RU4 ( primary production Small Lots,) operational , you plan to rezone it to Non Urban ( non operational), would effect us greatly in negative way as this is our family investment for our kids and represent life hard working earning.  
we want you to consider the social impact of such rezoning on us , as pers Environmental Planning and Assessment Act 1979 No 203, in term of REAL public consultation , and SOCIAL and ECONOMIC impact in the locality .  
you plans of rezoning,  
will devalue our land  
prevent us from develop it .

wish my english was better than this to express our feeling and tremendous pressure and stress we are going through and the negative impact on my relation with my wife, kids, and work.

big project like Aerotropolis will generate billions in dollars for business and government so its fair to share that with local land lords and families who invest their life saving.  
be sure we will fight you guys by all legal means as this is matter of life and death for me and the pride i have to leave something for my kids and grand kids , and loosing it by a flick of black pen by a bureaucrat wouldn't be an option i will accept with out fight .
