I am the co-owner of [REDACTED] Kemps Creek. I wish to request that the Mamre Road precinct is also included in the Stage 1 zoning release. Reasons

- 1) it is a relatively isolated area close the existing Erskine park industrial area.
- 2) as it is clearly under the future flight path its only long term use is as industrial land.
- 3) I believe rezoning has the strong support of local residents.
- 4) numerous developers are taking in an interest in the area so why not get it started.

Thank you Greg
