To whom it may concern I have been a owner of my property with my wife for 40 years ,have raised 4 children and now have 13 grand children. This property is our home and a place for all family gatherings , grand children love coming here ' giant backyard, lot of animals, wild life and adventure ,they talk about coming to this place all the time .It will be very sad to be removed from here.

We have known about the airport for 40 years , so have really have been waiting, all this time for it to happen .We want to be adequately compensated for owe home ,it is our pension and retirement for the rest of our lives. We will have to leave all our friends and buy a new house and try and resettle in a new area , my wife and I are in our mid 60's, Please do all acquiring of private land in a just and AUSTRALIAN WAY,

Residents in Austral are being paid \$1.5 million per acre this is 4 ks from here because they are close to a train station ,what would it be worth to be close to a airport and trains and have 6 acres.

Regard [REDACTED] and family.
