Dear [REDACTED]

I am [REDACTED] of [REDACTED] - part of the South Creek Precinct marked non urban on the latest plans published by the department of planning. [REDACTED]

[REDACTED] Invested a lot of blood, sweat and tears. Raised our children here knowing that it is a cleaner, healthier environment.

The last few months have caused a lot of stress and anxiety not knowing what the future holds for us. This is our home, our sanctuary. If it is acquired will we be compensated enough to be able to purchase something similar not far from here?!

We understand that South Creek Precinct is the backbone of the Aetropolis and is absolutely necessary. I believe it is just as important as the housing, industrial and commercial precincts. Parks, lakes, walkways, cycle ways are essential for people to relax, distress, refuel. The population will be healthier and happier if they have access to these facilities close to their homes and close to their work. Therefore I think our land is very valuable and we should be treated fairly! The value of our land should match those in our community earmarked for residential, commercial and industrial.

Sincerely

[REDACTED] and family
