I have lived here for quite a long time. I don't want to, in my life, meet any hardships. The area I live in suits my job and if my family were to move, it would be an annoyance to the way things would be. I don't agree with the government's rezoning. I want the government to go back to the original zoning in 2005. I don't want the government to make me lose my benefit. I want justice towards the government.
