I wish to oppose the South Creek Precinct.

1. The department of Planning and Environment has been totally irresponsible and seriously devalued the property caught up within the 1,950 hectares of the South Creek Precinct and should be made to withdraw the plan immediately, with an apology in every paper.

2. No other precinct has been treated like this, with a plan that has come out first requesting submissions prior to re-zoning:-

not Lowes Creek Precinct - currently on display  
nor South Creek West - due for re-zoning release mid next year  
nor Oran Park, Cobbitty, Catherine Park, Gregory Hills etc etc

Not fair! By you doing this, you have economically sterilized our land marking the 1,950 hectares as Non Urban - scaring away any investors and you have included properties that are not flood affected.

Pull back your flood line to 1:100 and you will have the support of the majority of land owners - what you have issued is rubbish and will NOT be supported.
