my name is [REDACTED] and i live at [REDACTED]. My dad purchased this house [REDACTED] years ago, we instantly all fell in love with the area but most of all the house.

Im getting married at the end of the year and me and my future husband were talking about where we would like to bring up our kids. Ive had the best childhood as i have been very lucky to have had the space for motorbike riding, pool parties, a farm full of animals, i thought to my self i hope my children can grow up just as i have, here in [REDACTED].

[REDACTED]. my father has worked and supported our family for as long as i can remember, this is his dream home and always seen him self retire and enjoy him self here as it's very peacefull. Id always hoped that all his hard work, blood, sweat and tears arnt going to waste.

I have a love for animals and a bigger love for injured animals. Most of our animals are strays or injured we look after them and give them a better life. We need the land to continue to do this as we feel we are bringing good back to there lifes.

please think about this that this the wrong dissision and that this will rein everyone in [REDACTED]

TA.
