Director, Aerotropolis Activation
Department of Planning
GPO Box 39
SYDNEY NSW 2001

To whom it may concern,

Western Sydney Aerotropolis - Land Use and Infrastructure Implementation Plan (LUIIP- Stage 1) Letter of Support

My name is David Harris and I am the Director of trustee company DNH Super Pty Ltd the owner of the above property. I have reviewed the information supplied relative to Stage 1 LUIIP and attended various meetings, including community consultation and a one to one with Department of Planning and Environment staff. I understand our property is located **within the Kemps Creek Precinct** and is planned for future development in accordance with the Flexible Employment criteria.

We are **supportive** of the Departments proposal in its current form for the following reasons:

- The site has been extensively **developed** as a **commercial/industrial operation** in accordance with an approved DA from Penrith City Council and major civil, hydraulic and infrastructure work have been completed (including external road upgrades) The site is fully operational.
- The owners intend **to further develop** the site in accordance with highest and best use and long term criteria for flexible employment lands within the Aerotropolis precinct.

We would appreciate being informed of any further developments and look forward to the release of Stage 2 details and progression of the Aerotropolis Vision.

Yours Sincerely,

David Harris
Managing Director
