DOC 18/1301621

██████████  
Senior Planner, Aerotropolis Activation  
Department of Planning & Environment  
Level 4, 10 Valentine Avenue, Parramatta | GPO Box 39 SYDNEY NSW 2001

25 October 2018

Dear ██████████

**SINSW comments on Land Use and Infrastructure Plan**

Thank you for the opportunity for Schools Infrastructure NSW (SINSW) to provide comments on the draft Western Sydney Aerotropolis, Land Use and Infrastructure Plan, Stage: Initial Precincts (as is attached with TRIM reference number DOC18/1301624).

We have reviewed the Plan and our comments are as follows:

- As listed on pg 5, the STEM high school within the Aerotropolis Core is identified as one of the initial precincts to be delivered. Please also refer to the Vocational Educational Training (VET) facility as per the City Deal.
- In relation to the STEM school, the trigger for the delivery of the school will be the provision of supporting infrastructure including transportation for access to the school and sufficient residential development to drive demand for school places.
- As listed on pg 5, education is referenced within the Northern Gateway. Please clarify whether this educational facility refers to the secondary school to be provided by the Parramatta Archdiocese.
- Pg 8 'Compact urban form' include civic functions, including schools and childcare centres, with access to open space.
- As listed on pg 12, the intent of the education and training programs at the Aerotropolis Core will be to directly connect Western Sydney residents with vocational opportunities in the Aerotropolis. This will also enable residents, school aged and beyond, to upskill and reskill as the future of work changes and to respond to the demands of industries present at the Aerotropolis.
- Page 48, '6.1.2. Education' also include commentary on City Deal Commitment and investment at the Aerotropolis Core.

If you require any further information regarding this matter, please do not contact hesitate to contact Kate McDonell ([kate.mcdonell3@det.nsw.edu.au](mailto:kate.mcdonell3@det.nsw.edu.au)). Thank you for agreeing to meet with us on the 29<sup>th</sup> of October 2018 to discuss the timing and extent of anticipated residential development within this region.

Yours sincerely,

Therese Hoy  
**Director, Schools Planning**
