We bought the property to enjoy the laid back life style. Unfortunately a few months ago, my husband suffered a heart attack and underwent triple bypass surgery. Upon hearing the news of the unfavourable rezoning of our land, anxiety and stress have become a significant issue for both of us. We don't have an issue with development and are excited by the opportunities this brings to the area. We are requesting only that we are fairly compensated for our substantial block, to provide a secure financial future for myself and my kids as my husband and I approach retirement stages of our lives.
