Dear Sir

[REDACTED]

We act for [REDACTED] the owners of the land.

The land currently consists of a residence, poultry sheds and other buildings, and a dam towards the western boundary of the land.

[REDACTED] are concerned the proposed re-zoning of their land will result in dual zoning, part urban land, and part non-urban land.

We are instructed the proposed re-zoning does not follow the true contours of the land, and will result in dual zoning. The proposed re-zoning may affect the future value of the land. [REDACTED] would appreciate a representative of NSW Planning and Environment attend and meet with them on the land, to inspect, and discuss, the proposed re-zoning of the land.

[REDACTED]

Thankyou, and we await your reply.
