Hello,

I am a resident of St Marys area and am pleased to know that St Marys is being considered as part of the Aerotropolis precinct. I would like to thank you for giving us with the opportunity to provide feedback on stage 1 plan.

I believe that making affordable housing available to families in St Marys will help reduce crime and help with the overall development of the suburb and its image.

There are a few R3 zones in St Marys that have helped the cause but the allotment of these zones is bit erratic specially the area around [REDACTED] does not make sense where there is R2 zone on one side of the street and not the other.a

I hope as part of the new Aerotropolis plan a more methodical approach is taken and better R3 zoning is done.

I would suggest rezoning the R2 side of [REDACTED] to R3 to keep consistency.

Thanks

Vib Singh
