Regarding the Bringelly Agricultural and Agribusiness proposed land use my name is Abdul Perwaiz [REDACTED] The [REDACTED]. I am currently living at this location and owned it for the past 15 years. We purchased this place to reside in and down the track with council approval operate a trucking business.

I am disappointed at the proposed land use of agriculture and agribusiness for bringelly as I have no experience in this field and [REDACTED] [REDACTED] I was also looking at extending the house to cater for our larger family and unable to do this with the current new proposed zoning. Please note that the my neighbours in front and on the right side own and operate truck and excavation companies on on my left side is a large home construction company. I am not aware of any agriculture business in bringelly and am quite surprised about this Agribusiness concept. Please note too we have no mains water in our land and no dam. My location is unsuitable for this and I believe I would loose out financially and limit my ability to do what i always been able to plan to do on my land. I would like to see the land use to be similar to the northern gateway as we are the southern entry point and opposite from the city. I am willing to talk meet or talk with anyone about my concerns in person or email . Thank you for understanding Abdul Perwaiz
